Dear Mrs. Mc Vey,

I trust you will excuse the informal
expect of my note to you! My purpose
is to offer my heartfelt thanks
for the care and treatment my wife,
Catherine Mc Adam, was given by
many members of your staff, ranging
from the emergency room, to her
private room, and lastly to your
I.C.U., where "Renee" passed away on
August 12. Through all stages of
her treatment, I was kept well-
informed, while all of us (family
members) were ^{accorded} respect and dignity
throughout those difficult days.

Nurse Marleen Mc Gwoarty (I.C.U.)
was such a standout in every regard!
This lady is a "gem" who truly serves
as the ultimate model of the caring,
gentle, superior nurse and human being
we should aspire to become. In every
sense of the word, Marleen is a true
professional! Thank you for a "job
well done.

yours truly,
Charles Mc Adam
